

STAFF TRAINING

Training for independent school staff

Lorraine Lee Training is an inspirational training provider offering workshops, seminars and lessons for teachers, practitioners and support staff. All sessions include front-led input, discussion time and space for questions.

- Understanding children's emotional needs
- Managing challenging classroom behaviour
- Delivering inspirational brain-based lessons
- Understanding puberty and the effects on learning (yrs 5 & 6)
- Helping anxious children
- Building confidence and resilience
- Creating motivation and ambition
